Atlanta, GA | (404) 509-6674 | sidkhatiwada1@gmail.com | [linkedin.com/in/siddhant-khatiwada](https://www.linkedin.com/in/siddhant-khatiwada)

Finance professional bridging traditional FP&A with AI/ML, 5+ years building driver-based forecasts, DCF/M&A valuations, and executive dashboards across banking and public accounting, backed by an international CPA-equivalent credential and a STEM MS in Finance (GSU, 3.88 GPA). Hands-on experience training ML models for financial text analysis, turning complex financial data into decisions leadership can act on.

PROFESSIONAL EXPERIENCE

Georgia State University | Graduate Research Assistant

Jul 2025 – Present

J. Mack Robinson College of Business | Atlanta, GA

- Trained BERT classifiers to detect technical/fundamental-analysis language across 4.2M+ WallStreetBets posts, achieving 0.88–0.95 mean F1.
- Built a multi-agent AI system (Agno, Groq) for RAG-based document Q&A, live stock analysis, and LLM-as-a-judge evaluation of output quality.

ICICI Bank Limited | Financial Analyst, Financial Reporting & Analysis

Apr 2022 – Jul 2024

India's largest private-sector bank (~\$20B revenue, 100,000+ employees) | Mumbai, India

- Built a driver-based, rolling 12-month P&L forecast for a ~\$500M division; adopted as the primary planning tool across 8 business units.
- Managed monthly Budget-vs-Actual reporting; identified and resolved a recurring provision variance, eliminating it within one quarter.
- Consolidated six recurring reports into a single executive dashboard across 8 departments, cutting 8 hours of prep per cycle.

Doogar & Associates | Associate, Audit & Financial Reporting

Apr 2019 – Apr 2022

Public accounting firm | Delhi, India

- Uncovered a \$3M inventory overvaluation during balance sheet review, prompting a revaluation adjustment and stronger costing controls.
- Surfaced \$1.5M in unrecognized receivables from billing gaps, prompting stronger revenue-recognition controls.
- Led a 4-person audit team across statutory audits for real estate and manufacturing clients; flagged a ~\$350K tax-withholding exposure that triggered corrective action.

FINANCIAL MODELING PROJECTS (2025–2026)

M&A / DCF Valuation: Nike / Lululemon

- Found 7.6% EPS accretion and 15% valuation upside in a hypothetical \$39B Nike–Lululemon acquisition via a 3-statement DCF (CAPM-derived WACC) with synergy sensitivities.

SaaS Operating Model: 24-Month AI Startup

- Built a 24-month SaaS operating model showing Series A timing ranges from Month 11 (Bull) to Month 23 (Base), while the Bear case never reaches fundraising readiness.

Budget & Variance Dashboard

- Built a bottom-up budget and rolling reforecast for a U.S. consumer-goods company; a Power BI waterfall flagged a product line 12% below plan and supported a formal reallocation recommendation.

EDUCATION & CREDENTIALS

Georgia State University | J. Mack Robinson College of Business

Expected Dec 2026

MS in Finance (STEM) | GPA 3.88 | Atlanta, GA

Institute of Chartered Accountants of India

Dec 2021

Chartered Accountant (CA); equivalent to U.S. CPA
